Business Development Manager (1 FTE)

Are you a proactive and enthusiastic team-player? Do you have a track record securing institutional funding to serve a bigger cause? Do you have a smooth pen? Then SeeYou is looking for you!

SeeYou Foundation, previously known as Light for the World Nederland, is looking for an experienced and result-oriented Business Development Manager to develop and implement the strategy to identify opportunities, build partnerships and mobilize (institutional) resources.

About SeeYou Foundation

At [SeeYou Foundation](#), we believe that every person is valuable and precious. For more than 38 years, we have thus been committed to providing people with (visual) disabilities access to eye care, medical care, education and employment. That way we help them overcome both marginalization and poverty. We conduct programs in seven countries across Asia and Africa, in close collaboration with local partners and the people we serve. Our work is made possible thanks to the support of private individuals, churches, entrepreneurs, foundations, and institutional donors such as the Ministry of Foreign Affairs.

Our dedication to disability inclusion transpires in all the work that we do: our programs and our partnerships. We bring our expertise, connect, learn and truly play a catalyst role toward more inclusive societies.

Tasks and Responsibilities

As Business Development Manager, you have a strategic position in the organization on Program and Fundraising development. You are part of our dedicated Program team and report to the Head of Program. You are responsible for identifying opportunities, building partnerships and mobilizing (institutional) resources. As such, you:

- Develop a solid Institutional Fundraising strategy in consultation with the relevant team leaders;
- Identify prospects and take the necessary steps to contact them and cultivate the relationship – in the Netherlands and internationally for new and existing programs;
- Think in opportunities while pinpointing and contacting potential consortium partners;
- Play a key role in initiating, building and coordinating new partnerships leading to concrete fundraising results;
- Track calls for proposals and other opportunities, judge the relevancy along with the Relationship Manager Major Donors on feasibility, content, impact and overall risks;
- Develop solid proposals in joint collaboration with the program and fundraising teams, as well as (local) partners;
- Set up and coordinate project teams during the proposal development stage;
